Ohio Department of Alcohol and Drug Addiction Services

The Ohio Department of Alcohol and Drug Addiction Services (ODADAS) has been serving Ohio citizens with a comprehensive approach to alcohol and other drug addiction treatment and prevention since its inception in 1989. ODADAS plans, initiates and coordinates an extensive system of prevention, treatment and recovery support services designed to help all Ohioans in need.

ODADAS invests in a wide range of programs, including cultural-, age- and gender-specific programs. From individuals to families, adults to adolescents, the Department is dedicated to protecting Ohioans from the devastating consequences of alcohol and other drugs.

By statute (Am. Sub. H.B. 317), ODADAS coordinates the alcohol and other drug services of state departments, the criminal justice system, law enforcement, the legislature, local programs and treatment/prevention professionals.

ODADAS' mission is “to provide statewide leadership in establishing a high quality addiction prevention, treatment and recovery services system of care that is effective, accessible and valued by all Ohioans.”

Our vision is, “an addiction-free Ohio that promotes health, safety and economic opportunity.”

ODADAS and Alcohol, Drug Addiction and Mental Health Services/Alcohol and Drug Addiction Services (ADAMHS/ADAS) Boards share a productive partnership in running Ohio's alcohol and other drug system. ODADAS provides monetary and technical assistance to each of the 50 boards who, in turn, offer their support to more than 600 community-based alcohol and other drug treatment and prevention programs. Ohioans in all 88 counties have access to quality, cost-effective services.
